

COMPANY PROFILE - 2019

CUBETM
MOULDED FIBRE DOORS

CUBE FRP industries has been established as a FRP door manufacture company in Calicut Kerala we open our business in 2008 and quickly established a strong reputation with our exceptional design and quality we have 25000 square ft manufacturing facility. Every month our skilled personnel handle thousands of projects for builders, contractors, and homeowners across Kerala, and we treat every new project with the same care and attention to detail.

All of our products are made from unsaturated polymer resins with glass fibre and regional wood which not only means a frp door , but better quality for your home or business

Presently, the CUBE is headed by Mr.SALEEJ, a dynamic and resourceful leader and a visionary thinker. He is supported by his equally accomplished, Partner Mr. ILYAS It is the energetic and highly effective leadership of this top management team that has made CUBE what it is today – a major presence in the door manufacturing industry

Vision

We will make world beautiful by giving the shine of our products within affordable price and will receive our customers' enthusiasm through constant enhancement driven by the integrity, teamwork, and innovation of our' people."

Mission

To grow our Business as a leading manufacturer by providing best quality products and services to satisfy customers need and by building positive, long-lasting relationship with our customers."
